

Captiva Series

haskell

ON TIME. COMPLETE. CORRECT.

The Captiva Series provides a comprehensive filing and storage solution for the modern work place. Offering not only traditional lateral and vertical files, Captiva also encompasses a full product offering for the growing storage sectors of mobile pedestals, undersurface storage and workplace towers. Captiva offers unique solutions by maximizing your investment with smart, efficient and economical solutions.

filing & storage

Captiva offers a complete package of filing and storage components that make designing your perfect workspace easier than ever. A perfect complement to the Smart™ and Marathon Series, Captiva works well for both private and open office concepts.
